We understand this can be a very exciting time for our potential puppy buyers. We allow our approved buyers to reserve a place on our waiting list. Once you reserve your spot, we require a \$300 non-refundable deposit to hold until hearing tests and final temperaments tests are done. Deposits go towards the final purchase price of the puppy. The price of all puppies (pet and show

puppies) is \$2200 not including the cost of microchip registration.

If you purchase a puppy from us, we do place all puppies on Co-ownership contracts. This is something you will need to be ok with if getting a puppy from us.. We want to build a relationship with our puppy families and to keep in contact to see how they grow and mature. Usually we reach out once a year to get an update and photos/ videos.

All “Pet” prospects are sold with a Limited AKC Registration eliminating all breeding rights and putting in place the guaranteed that all puppies will be spayed and neutered by the age of 2 years old unless they are actively participating in conformation events. Once altered and confirmed with vet, the breeder can be taken off the paperwork as a co-owner if requested.

All “Show” prospects are sold with a Full AKC Registration and Co-ownership agreement. Puppy owners will agree to breeding practices of Fairytail Dalmatians which are outlined in the contract.

We completely understand the urge for the potential puppy families to want to come visit our puppies. As the puppies get older, we will be willing to schedule short visits with the puppies but in the meantime, you can follow us on Facebook “Fairytail Dalmatians and Friends”. Videos and photos will be posted as they grow up. So ample opportunities to watch them grow up until you can come meet them.

In order to allow us the ability to advance the breed it is important that we keep dogs in “show homes”. That way we can continue to use them to improve and preserve the breed standards. With that said, “Show potential puppies” will have precedence over “Pet homes”. After the “show home” puppies have been established, “Pet homes” will be matched up with their puppies. We Volhard test all puppies to get a better understanding of what type of home is best. Plus from all of our conversations let us know what your looking for.

I have read the above text and I agree. \_\_\_\_\_

Fairytail Dalmatians reserves the right of “first right of refusal” on the pet and show puppies if for any reasons, you cannot keep your puppy. In the event you need to return the puppy, the owner needs to make all necessary arrangements for the return and immediately contact us. Do you agree to this? \_\_\_\_\_

Completing this application is the first step in the process to being considered for a puppy from Fairytail Dalmatians (Tiffany Wooton). However, it does not guarantee you'll get a puppy from this or any future litters. Fairytail Dalmatians reserves the right to refuse any placement at any time.

Fairytail puppies are \$2200. If this application is approved, you will be notified when the puppies are born and be required to send a \$300 non-refundable deposit to hold the puppy. If you make a deposit you are committing to take a puppy from the litter. Should you elect to not take a puppy from the litter, the deposit is forfeited. We do our best to match your preferences.

Puppies will go to their new homes after 8 weeks old. We can hold puppies for extended times with prior arrangements. However, it is critical for their social development that the litter departs within a reasonable timeframe. Puppies must be picked up within 7 days unless other arrangements are made.

We do require our "pet puppies" be spayed or neutered. It is highly recommended to be done between 18-24 months old. Dalmatian boys especially need to remain intact until they fully develop. This helps all kinds of developmental issues. We are firm believers in not early spay and neuter. It is for the health of your dog.

We will not place a puppy without a signed contract. We believe it is the professional way to memorialize our obligations to each other on paper so there are no questions later, and for that reason it's a bit lengthy. If you have questions about specific terms, please feel free to contact us prior to picking up your puppy.

I have read, understand and agree to the above statements.
